Baidin Fheilimi is phonetically pronounced "Ba'-jeen El'-a-mee."

I first learned this song thanks to Lori Keddell of the Dulcimer Association of Albany, NY.

Translation of lyrics:

Feidhlim's little boat went to Gola,  
 Feidhlim's little boat and Feidhlim in it  
 Feidhlim's little boat went to Gola,  
 Feidhlim's little boat and Feidhlim in it

A tiny little boat, a lively little boat,  
 A buoyant little boat, Feidhlim's little boat  
 A straight little boat, a willing little boat,  
 Feidhlim's little boat and Feidhlim in it.

Feidhlim's little boat went to Tory,  
 Feidhlim's little boat and Feidhlim in it  
 Feidhlim's little boat went to Tory,  
 Feidhlim's little boat and Feidhlim in it

A tiny little boat, a lively little boat..

Feidhlim's little boat crashed on Tory,  
 Feidhlim's little boat and Feidhlim in it  
 Feidhlim's little boat crashed on Tory,  
 Fish on board and Feidhlim in it
